In accordance with the requirements of California Code of Regulations, title 22, section 66271.14, the Department of Toxic Substances Control (DTSC) is issuing this Notice of Final Hazardous Waste Post Closure Facility Permit Decision for the following facility:

On April 17, 2008, DTSC informed the public of a 45-day public comment period on the proposed permit. The comment period was from April 17, 2008 through May 29, 2008. A California Environmental Quality Act draft Notice of Exemption was prepared and was also available for review during the same time period.

DTSC did not receive any comments during the public comment period; as a result, no changes have been made to the proposed permit. The Final Hazardous Waste Post Closure Facility Permit becomes effective on June 5, 2008.
